***There are no hidden fees or charges....***

There will be decisions that have to be made from time to time and your "Owner's Quarters Vacation Liaison Team" will coordinate with your elected board of directors to manage the day-to-day and ongoing management of your vacation home.

A monthly fee has been established to provide enough funds to efficiently operate and maintain your Owner's Quarters condominium. This budget along with your board of directors is subject to change, but are both controlled by you and your 12 co-owners.

The "Owner's Quarters Vacation Liaison Team" will do everything necessary to manage your condominium as long as your board agrees that our services are needed. We will go out of our way to make every effort to satisfy you and the rest of the owners in your Owner's Quarters condo, however, we are employed by your board of directors and we will operate the unit at their direction.

***Own as much time as you need...***

Since your ownership interest is deeded real estate and is yours and your assigns forever, many owners opt to purchase multiple interests thereby giving them the ability to visit North Myrtle Beach more often.

**Owning four weeks allows you to have One Week per Year in each of the Four Seasons.  
Each Interest rotates one week forward every 12 months.**

For example in the Winter of 2008, **Interest A** is the first week of the quarter.  
Therefore, in 2009, **Interest A** rotates to the second week of each quarter and  
in 2010, **Interest A** rotates to the third week of each quarter and so forth.

Simply put, after 13 years, you will have had the opportunity to visit and vacation in Myrtle Beach during your allocated week for every week of the calendar year!

Owners have the option of swapping weeks to accommodate their schedules.  
Owners may contact each other directly or ask their Vacation Liaison Team to arrange an exchange for them.
